Wednesday 1st March 2023

Wednesday will be a very different day for you as you will be at home, rather than being in school. We are setting you a series of challenges – see how many you can complete. **Choose one activity for each period**.

Task	Completed – evidence?
Period 1 – Reading • Find a quiet area and read. This could be a book, magazine, your kindle etc	
Period 2 – PE • Do some exercise – have you got any exercise equipment you could use? Make an obstacle course in the garden? • Go for a walk in the daylight – take the dog along if you have one! • Go for a walk/jog/run/bike-scooter ride • Go and play football or any other sport of your choice • Play on your trampoline	
Period 3 – Maths • Go on MyMaths and complete any activities you have not already scored 100% on • Create a maths wordsearch, crossword or code breaker puzzle. • Write a series of maths questions to give to your teacher to complete	
Period 4 - PSHE • Complete the activity provided regarding 'County Lines'	
Period 5 – Science • Write a biography (simply the story of a real person's life) for a famous scientist. you could write about: • Albert Einstein • Marie Curie • Rosalind Franklin • Charles Darwin • Rachel Carson • Or choose a scientist yourself.
